
**NEW OFFICE POLICY
FOR PRESCRIPTION REFILLS**

EFFECTIVE SEPTEMBER 1, 2011

Due to new federal guidelines regarding
electronic prescription regulations,

**ALL PRESCRIPTION REFILLS
REQUIRE YOU TO SCHEDULE AN
APPOINTMENT.**

Please **bring a list of ALL medication refills you
need** to your routine visits. **If you forget any,
another appointment will need to be scheduled** in
order to obtain that refill. Please **provide your
preferred pharmacy, as our office is required to
submit all prescriptions electronically at the time
of your visit.**

We apologize in advance for any inconvenience
this may cause.
